1. Approval of Draft Agenda (Withee)
   • Approved.

2. Review Minutes of 49th DSWG telecon and Action Items (Chu)
   • Accepted minutes of 49th DSWG telecon
   • Closed Action TC-49-2, TC-49-3, TC-49-5

3. GEO ExCOM: DSWG Activities and Items of Interest (Doldirina)
   • IPWG emphasized free data access in its interim report.
   • IIB recommended a new strategy on capacity building that extracts capacity building from all other tasks and creating an individual task of capacity building.
   • DSWG presentation was greatly appreciated by ExCOM and Secretariat Director Ms. Barbara Ryan.
   • Data Sharing Principles Post-2015 was approved to present at next plenary.
     - Australia strongly endorsed this document as they were doing the similar work in their country.
     - It was suggested the work of DSWG, DMP-TF and IPWG should be coordinated.
     It was recommended the Data Sharing Principles Post-2015 submitted to the upcoming plenary for consultation in stead of for adoption, and incorporated as part of new 10-year Implementation Plan documents package.
   • The White Paper was approved to present at next plenary, without comments.
     - Uhlir expressed concerns on lack of interest in licenses from ExCOM members.
     Doldirina explained the ExCOM delegates were well prepared and no comments just meant no objection.

4. Discussion: Mechanisms to work with IPWG after ExCOM (Withee)
   • Doldirina suggested commenting on IPWG report as a first step.
   • A teleconference between co-chairs of the two groups is necessary.
ACTION 1: Circulate DMPs and IPWG reports for DSWG comments (GEO Sec)
ACTION 2: Remind DSWG thinking of activities to promote implementation of DSWG documents in GEO members and POs. (GEO Sec)
ACTION 3: Send a message to the group to find who will be able to give lectures on legal issues at China training workshop (GEO Sec)

5. Update

Data-CORE/GCI (Browdy)
- FP-7 has started. The testing of licenses and use metrics are not ready. Help from the whole group is needed.

Legal Interoperability (Uhlir)
- Coordination needed between RDA legal interoperability group and GEO activities.

Documentation and Data Quality (Withee)
- No update made by the subgroup representative(s).
- Browdy highlighted the demand of successful examples on data quality control for data providers to follow.

ACTION 4: Initiate an email discussion on successful examples on data quality control. (Browdy)

Capacity Building
- No update made by the subgroup representative(s).

6. Other Business (Withee)

Next teleconference will be on 30 July with EC as Chair
