

AIR QUALITY AND HEALTH CoP

To: GEO Summit Attendees

From: Phil Dickerson, AIRNow-International Program Manager, US EPA

You are cordially invited to a special Air Quality and Health side meeting “Air Quality and AIRNow” to be held 3 November 2010 at 1400 in Room 401, CNCC.

The meeting will feature a presentation on the recently completed AIRNow-International collaboration between US EPA and the Shanghai Environmental Monitoring Center (SEMC). In addition, GEO attendees are invited to present their organizations’ efforts to inform the public about air quality conditions and associated health impacts.

For more information, or to submit a presentation, please contact Phil Dickerson at Dickerson.phil@epa.gov.
