

Implementation Plan Working Group (IPWG)

Membership

(as endorsed by the Executive Committee)

DISTINGUISHED EXPERTS

	Name	Affiliation	Caucus
1.	Islam Abou El-Magd	National Authority for Remote Sensing and Space Sciences (NARSS) Egypt	Africa
2.	Mahamadou S. Keita	Regional Centre for Training in Aerospace Surveys (RECTAS)	Africa
3.	Bob Scholes	Centre for Scientific and Industrial Research (CSIR), South Africa	Africa
4.	Danielle Lacasse	Meteorological Service of Canada-Environment Canada	Americas
5.	Oscar Rodas	IDB-Inter-American Development Bank, Paraguay	Americas
6.	Luciano Pezzi	Earth Observation Directorate, INPE Brazil	Americas
7.	Gu Xingfa	China National Space Administration (CNSA), Chinese Academy of Sciences	Asia-Oceania
8.	Toshio Koike	University of Tokyo, Japan	Asia-Oceania
9.	Stuart Anthony Minchin	Geoscience Australia	Asia-Oceania
10.	Victor Sapritsky	Russian State Research Institute Of Optical And Physical Measurements (VNIIOFI), Moscow Russian Federation	CIS
11.	Lyudmila Shardakova	Department of Environmental Pollution Investigation and Forecast, Hydrometeorological Research Institute, Uzhydromet, Tashkent, Republic of Uzbekistan	CIS
12.	Mr. Sukhrob Olimov	Communication & Information Systems Centre, State Administration for Hydrometeorology, Committee for Environmental Protection under the Government of the Republic of Tajikistan.	CIS
13.	Jörn Hoffmann	DLR-German Aerospace Centre, Germany	Europe
14.	Alan Edwards	European Commission	Europe
15.	José Maria Marcos Espinosa	Spanish Meteorological Agency, Spain	Europe

WRITING TEAM MEMBERS

	Name	Affiliation	Caucus
1.	Tsehai Woldai	ITC, University of Twente African Association Remote Sensing of the Environment (AARSE)	Africa
2.	Noureddine Filali Boubrahmi	Meteorology Services, Morocco	Africa
3.	Julio Castillo	Director of Space Security, Mexican Space Agency, Mexico	Americas
4.	Yana Gevorgyan	Senior International Relations Specialist, NOAA, USA	Americas
5.	Zhou Xiang,	Associate professor, Institute of remote sensing and digital earth Chinese academy of sciences.	Asia-Oceania
6.	To be nominated by Japan (*)		Asia-Oceania
7.	Zoya Andreeva	Thematic processing of Satellite Data Department, State Research Center for Space Hydrometeorology "Planeta" (Roshydromet), Moscow Russian Federation	CIS
8.	Andrey Emelivanov	Research Center for Earth Operative Monitoring Joint Stock Company "Russian Space Systems" (NTs OMZ), Moscow, Russian Federation	CIS
9.	Tim Haigh	European Environment Agency	Europe
10.	Eleni Christia	Greek GEO Office/ National Observatory of Athens, Greece	Europe

(*) Nomination will be submitted to ExCom at its July 2014 meeting
