

Venue of the meeting.

The GEOGLAM Implementation Plan Review meeting will take place in the RADI campus situated in the Olympic Village Science and Technology Park¹, north of Beijing centre (red dot on map below – note: Beijing Capital International Airport is in the upper right corner of the map).

The exact address is of the RADI campus in Olympic Village S&T Park, CAS, is:
RADI, No.20 Datun Road, Chaoyang District, Beijing 100101, China

How to reach venue and hotels

Given low prices of taxi, we suggest you take a taxi from Airport. We suggest you prepare a paper with name and address in Chinese of your hotel. Here are the official rates :

- The first 3 km: 13 yuan
- 4-15 km: 2.3 yuan/km
- 15 km and above: $2.3 \times (1+50\%) = 3.45$ yuan/km
- Taxi at night (23:00-5:00): 20% additional expense

To avoid bad surprises (detour), we suggest you calculate distance (km) from airport to your hotel.

¹ RADI has a second campus, in Beijing Advanced Technology Facility. Please do not confuse !

Alternatively, Bus line n°6 links directly Beijing Capital Airport to Olympic Green Village, more precisely to Best Western OL hotel, near RADl, with another stop on Datun Rd (see map of hotels on next page). The bus line runs between 8:00 to 21:00. Details on how to find the bus in the airport can be found on this page :
