

Foundational Tasks in GWP 2020-22

Components

GEO Engagement Priorities Coordination

GEO Engagement Priorities Coordination

Implementing bodies:

- GEOSEC
- EO4SDG
- GEO Climate WG
- GEO Disaster Risk Reduction WG

Commercial Sector Engagement

Implementing body:

- GEOSEC

Communications

Implementing body:

- GEOSEC

Resource Mobilization

Implementing body:

- GEOSEC

GEOSS Data, Information and Knowledge Resources

Satellite Observations

Implementing bodies:

- CEOS
- GEOSS Data Sharing and Data Management WG
- GEOSEC

In situ Observations

Implementing bodies:

- CEOS
- GEOSS Data Sharing and Data Management WG
- GEOSEC

Modelling

Implementing bodies:

- CEOS
- GEOSS Data Sharing and Data Management WG
- GEOSEC

Advancing GEOSS Data Sharing and Data Management Principles

Implementing bodies:

- GEOSS Data Sharing and Data Management WG
- GEOSEC

GEOSS Infrastructure Development

GEOSS Platform Operation

Implementing bodies:

- GEOSS Infrastructure Development Task Team
- GEOSS Platform Operations Team
- GEOSEC

Support GEO Community Data and Information Need

Implementing bodies:

- GEOSS Infrastructure Development Task Team
- GEOSEC

GEO Knowledge Hub Development

Implementing bodies:

- GEOSS Infrastructure Development Task Team
- GEOSEC

GEONETCast Operation

Implementing bodies:

- GEOSS Infrastructure Development Task Team
- GEONETCast Operations Team

GEOSS Platform Documentation

Implementing bodies:

- GEOSS Infrastructure Development Task Team
- GEOSS Platform Operations Team

GEOSS Infrastructure Evolution

Implementing bodies:

- GEOSS Infrastructure Development Task Team
- GEOSS Infrastructure Evolution WG

Open-Source Solutions

Implementing bodies:

- GEOSS Infrastructure Development Task Team
- GEOSEC

GEO Work Programme Support

Programme Board Support

Implementing body:

- GEOSEC

GEO Work Programme Development

Implementing body:

- GEOSEC

GEO Work Programme Monitoring and Liaison

Implementing body:

- GEOSEC

GEO Secretariat Operations

Management of the GEO Trust Fund

Implementing bodies:

- GEOSEC
- Budget Working Group

Management of Secretariat Human Resources

Implementing body:

- GEOSEC

Conference and Meeting Management

Implementing bodies:

- GEOSEC
- GEO Week and Ministerial Summit WGs
- Host nations of GEO Plenary and other GEO Meetings

Relations with GEO Members, Participating Organizations and GEO Associates

Implementing body:

- GEOSEC

Coordination of GEO Evaluations

Implementing body:

- GEOSEC

GWP ENABLERS (ENABLING STRUCTURES)

GEO Working Groups <ul style="list-style-type: none"> - Climate Change WG - DRR WG - Capacity Development WG - Data WG 	Knowledge Management <ul style="list-style-type: none"> - GEO Knowledge Hub - GIDTT 	Regional Networks <ul style="list-style-type: none"> - AmeriGEO - EuroGEO - AOGEO - AfriGEO - PIAG 	GEO Secretariat	GEO Indigenous Alliance	Communities of Practice
FUNCTIONS	FUNCTIONS	FUNCTIONS	<ul style="list-style-type: none"> - GWP Coordination - Partnerships Development - Advocacy and Communications - Resource Mobilization - Community Engagement - Administration 	<ul style="list-style-type: none"> - Indigenous communities participation in GEO - Integration of traditional knowledge 	<ul style="list-style-type: none"> - Youth CoP - Health CoP - Potential evolution of CD WG into CD CoP

Discussion focus

High level reflections on

- Is the structure of the current Foundational Tasks serving as an enabler for the impact and sustainability of the GWP?
 - What components have worked well?
 - What components haven't worked well?
- What are the most critical enabling pieces of the GWP that are currently missing?
